The Butler Foundation makes every effort to keep its financial records up to date. Our fiscal year runs July 1 to June 30. If an error has been made, please accept our sincere apologies and contact us at 316.323.6729.

“I have recently been accepted into the nursing partnership between the University of Kansas and Butler. The appreciation that I have for Butler is shared by many, and I am so grateful that my school has such supportive and generous donors that help contribute to the education of future nurses such as myself! I plan on furthering my education in order to become a nurse anesthetist.”

– Sonia N., Nursing Major
